3rd March 2017

Dear Parents,

Following on from its success in Senior Infants last year, '**Power Hour**' will be introduced in your child's class from Monday 6th March. You will be familiar with the programme as your child's class enjoyed it last year.

'**Power Hour**' will take place on four mornings per week, Monday-Thursday, for one hour each day. During this time your child will have the opportunity to be taught at four different stations by Ms. Jones and the Learning Support team.

The focus of this '**Power Hour**' programme is on reading and language. Your child will engage in reading, phonics, and language/written activities. He/She will bring home a new book in a folder each night. We would encourage you to read this book with your child every night. **Please ensure that the folders and books are sent back into school every day.**

This programme requires substantial funding by the school, therefore it is imperative that all books are cared for and returned to the school. We trust you will cooperate with this request.

Should you have any questions regarding this programme, please do not hesitate to contact any of the undersigned.

Yours sincerely,

Lynda Jones (*Class Teacher*)
Sandra Cunningham (*Learning Support Teacher*)
Lavinia Forde (*Learning Support Teacher*)
