Get your MOUTH

ready to make
the first sound

SLIDE

through the
whole word

Spell

the
word
out
loud

Reread

Does it LOOK right?
Does it SOUND right?
Does it MAKE SENSE?

If not -

 **STOP**, go back,
and read it again!

Skip hard words
and then go back.

...**Skip**...

...**Go back and read**...

Try a different

VOWEL

sound.

Think of a
RHYMING
word you do know.

"If I know
c-a-t spells
cat, then h
-a-t must
spell hat."

"Chunk it"

Look for smaller
words hiding
inside.
